WHAT IS YOUR PITCH TO VOTERS? WHY SHOULD THEY VOTE FOR YOU?

My goal if I am elected will be to continue to attract more tourism and industry to Moree. Our town is in a chicken and egg situation at the moment. we need to increase our population but we don't really have anything to attract people to town, i.e. shopping and things for children and people to do, but we don't have the population to encourage these businesses to town. I am very excited about the Special Activation Precinct coming to town and if I am elected I would very much like to be involved with the businesses and industries that will move here to get an insight into what council can do help make the transition a smooth one and listen to any concerns they may have about recruiting and moving staff here.
